

let's talk about

race

Acknowledge the Past –
Heal the Present

A Conversation with author **Thomas Norman DeWolf**

TOM was astounded to discover that he is descended from the largest slave-trading dynasty in U.S. history. He traveled with nine distant relatives on a life-altering journey through New England, Ghana, and Cuba to film the Emmy-nominated documentary *Traces of the Trade: A Story from the Deep North*, in which he is featured.

Join the discussion of hidden elements of history, racism and intolerance and embark on a journey toward healing and a more hopeful future.
